- Knowledgeable in databases, algorithms, data structures, and operating systems.
- Strong problem-solving and analytical skills
- Excellent communication and teamwork skills
- Automation - Ansible
- Docker

ABOUT ME

I am a highly motivated and fast-learning undergraduate computing student seeking an internship opportunity to gain hands-on experience in the field of IT. As a student, I have learned a wide range of skills and technologies, and I am eager to apply them in a real-world setting. I am passionate about learning new technologies and advanced concepts, and I believe an internship will provide me with the opportunity to do so.

Birth day - 29/08/2001

EDUCATION HISTORY

Pearson Higher National Diploma in Computing (Network Engineering)(Reading) 2022-2023

Pearson assured Diploma in Information technology and English(2021-2022)

CERTIFICATIONS

Oracle Cloud Infrastructure Foundations 2021 Associate
Jan 2022

Fortinet NSE 1
(Oct 2022 - Oct 2024)

Fortinet NSE 2
(Oct 2022 - Oct 2024)

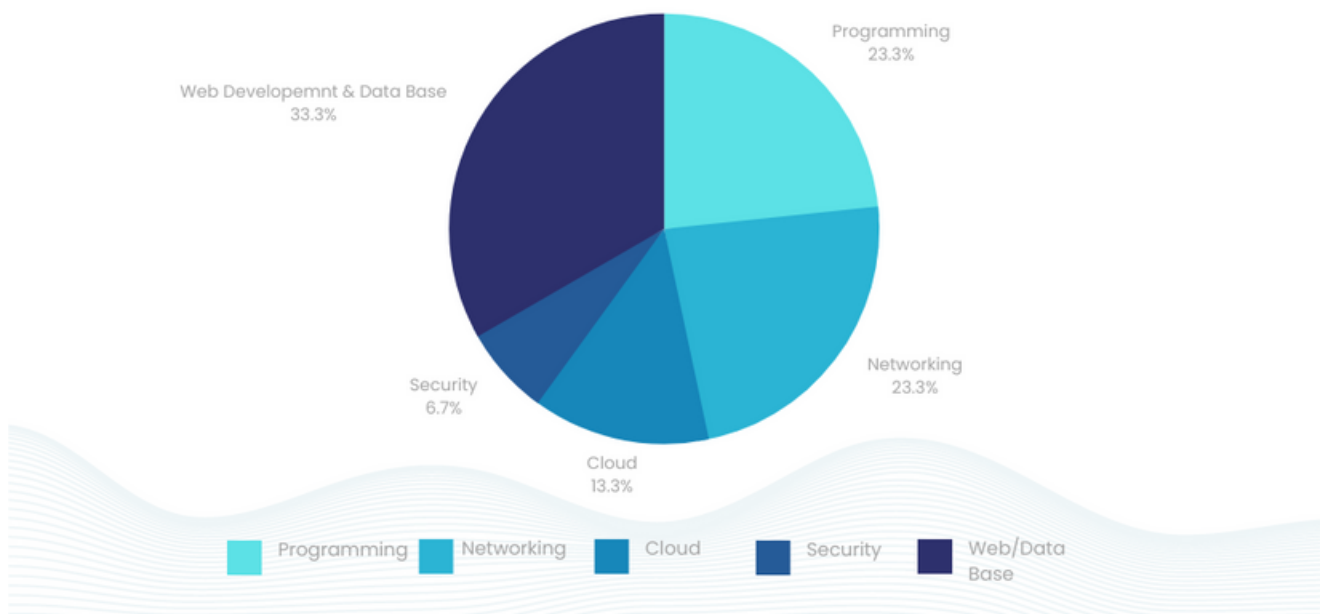

(ISC)2 Candidate
(Sep 2022 - Sep 2023)

Introduction to Cyber Security and IOT Cisco
(2022)

Skills

CONCLUSION

Although I have no experience in the field, I am eager to gain hands-on experience through an internship. As a student, I have worked on various projects, including creating a simple database management system and developing a web-based application using HTML, CSS, and JavaScript. I am excited about the prospect of an internship opportunity to further develop my skills and gain practical experience in the field of IT. I am a dedicated and enthusiastic learner who is willing to put in the effort to learn new things and contribute to the success of the team.
